

2700 Series USB Speaker System

USB, 2 Speakers, Black

Model
161114

Compact design delivers big stereo sound for USB devices.

Maximize audio experiences with the MANHATTAN® 2700 Series USB Speaker System. Its compact, USB design delivers rich, full-range sound from notebook and desktop computers, netbooks, portable CD/DVD players and other USB-equipped mobile media devices. Solid, well-built enclosures help re-create a balanced, full-spectrum frequency response.

A piano-gloss finish on the front panel complements flat-panel displays and décor. The built-in USB cable quickly connects without special drivers, batteries or an external power supply to easily share music, improve presentations or enjoy movies, games and other multimedia content. The MANHATTAN 2700 Series USB Speaker System makes an ideal audio replacement or upgrade for mobile computing and is an alternative to headphones for enjoying favorite stereo sounds.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
161114
